Dear Supervisors:

2010 WEED ABATEMENT REFEREE'S SECOND HEARING REPORT

As approved by your Board, public hearings were conducted by the Deputy Director, Weed Hazard and Pest Management Bureau, Department of Agricultural Commissioner/Weights and Measures (ACWM), acting as Referee, to receive protests against the Board's second 2010 order to abate noxious or dangerous weeds, brush, and rubbish. As stated in the legal notice sent to each owner of record, the hearings were held from 9:30 a.m. until noon, in the offices of the ACWM, at 12300 Lower Azusa Road, Arcadia, California on May 26, 2010, and at 335 A East Avenue K-10, Lancaster, California on May 27, 2010.

Two property owners attended the public hearings. Each property owner received individual consultation from Weed Abatement Division personnel. Appropriate action was taken whenever necessary in addressing each of the inquiries. This final hearing before the Board is required by the California Health and Safety Code for weed abatement operations to proceed. We are not aware of any individual who wishes to present objections to your Board at this time.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

1. Accept this hearing report.

The Honorable Board of Supervisors
